**Start:** Drive Highway 3 to the Bombi Summit (near Castlegar). There is a parking lot at the summit. You can park there. The Beaver Mountain Snowmobile Association (<http://bvrmntn.webs.com/>) is now grooming the road up from Bombi Summit, so the ski up the road should be fast.  
**Day 1:** From Bombi Summit, ski up the forestry road. At 7km marker, leave road & switchback / ski up to the Col, then descend a short distance to Grassy Hut.
