

**Disclaimer**  
 Trail Guide not for navigational use. There are many hazards involved in trail use, backcountry travel & rock climbing, carrying a significant risk of personal injury or death. While the authors have done their best to provide accurate information, the condition of trails, roads & climbing options contained on this Guide. It is up to the users of this Guide to learn the necessary skills. In addition, the authors & publishers (and their agents) disclaim any liability for any loss or damage to person or property arising from the use of this Guide. The authors & publishers of this Guide play no part in the maintenance &/or supervision of the trails, roads or climbing areas. They assume no liability whatsoever for any loss or damage to person or property arising from the use of this Guide. The authors & publishers of this Guide are not aware of potential dangers. Users must exercise extreme caution at all times and be aware of potential dangers. The authors & publishers of this Guide are not responsible for any breach of municipal, provincial, federal or common law concerning these lands.

**Be Prepared**  
 - Get advice from Parks Canada Information Centre  
 - Study trail descriptions & maps before starting  
 - Choose trails suitable for least experienced member in your group  
 - Pack adequate food, water, clothing, maps & gear  
 - Carry first aid kit & bear spray  
 - Tell somebody where you're going, when you'll be back & who to call if you don't return  
 - Travel with friends or group  
 - Be prepared for emergencies & changes in weather  
 - If travelling onto active logging roads it is imperative to tune into VHF radio frequencies used by the logging companies to keep everyone safe & to avoid collisions  
 - Travel in groups & make noise to avoid surprise encounters  
 - Do not feed, touch, or approach wildlife. Stay at least 30 to 50m away from most animals, & 100m away from bears.  
 - Carry bear spray & know how to use it.  
 - Pets must be on leash at all times.  
 - Prevent forest fires.

**Trail Etiquette**  
 - Motorized use prohibited  
 - Share the trails. Dismount when approaching horses. Yield to pedestrians. Respect other's rights to use the trails. Respect wildlife leaving no trace.  
 - Stay on maintained trails. Do not widen the trail or cut corners. Ride don't slide. Feather your brakes down steep descents to help maintain the trails you use. Don't ride or hike on closed trails.  
 - Trails are to be used at your own risk.  
 - Help maintain the trails you use. Don't ride or hike on closed trails.  
 - Remember trail usage is a privilege, abide by trail etiquette or access could be denied to all users.

**Keep Wildlife Wild, & Yourself Safer**  
 - Travel in groups & make noise to avoid surprise encounters  
 - Do not feed, touch, or approach wildlife. Stay at least 30 to 50m away from most animals, & 100m away from bears.  
 - Carry bear spray & know how to use it.  
 - Pets must be on leash at all times.  
 - Prevent forest fires.
